Strategic Growth and Alignment

As a result of this acquisition, Bailiwick and ePlus will offer customers an even more comprehensive and robust set of

technology solutions and services enhancements, as well as a depth of resources, that will provide customers with expanded options.

"We are thrilled to join the ePlus team and begin this new chapter," said Bob Marko, CEO and President, Bailiwick. "This partnership will not only strengthen our position in the market but also allow us to deliver greater value to our clients and partners by allowing them to access a greater set of technology solutions, services and resources. We are excited about the opportunities this acquisition brings and are confident in the positive impact it will have on our employees, clients, and partners. The ways we work and support our customers will largely remain the same as we continue to focus on bringing them the very best levels of service, now with additional services, solutions and talent.

"I am excited to be adding a new team to the ePlus family with the successful acquisition of Bailiwick Services, LLC," said Mark Marron, CEO and president of ePlus inc. "Their talented team, creative solution development, and client focus are a perfect complement to our strategic vision. Together, we will create even more value and opportunities for our clients and stakeholders as we work to become their global partner of choice in IT solutions, services, and financing."
