Weaver Clinics, founded by Dr. Kimberly Weaver, MD, is renowned for its patient-centered approach and commitment to offering innovative treatments that optimize overall well-being. The clinic boasts a comprehensive range of services including hormone optimization, weight management, aesthetic procedures, general gynecology, and now, hair restoration solutions powered by GetHairMD.

With this partnership, Dr. Weaver joins the GetHairMD™

network of experienced physicians knowledgeable in all forms and causes of hair loss. Dr. Weaver will also serve on the GetHairMD™ clinical advisory board as it continues its nationwide expansion.

"Hair loss can be a deeply personal challenge, and I'm passionate about offering my patients innovative, effective solutions," said Dr. Kim Weaver. "Partnering with GetHairMD allows me to offer our valued patients proven hair restoration treatment options. I'm confident that this collaboration will make a profound difference in the lives of many individuals struggling with hair loss."

Hair loss affects over 50% of adult men and over 40% of adult women, often causing emotional distress and impacting self-confidence. GetHairMD offers multifaceted, personalized solutions for patients battling hair loss. These solutions range from non-invasive treatments such as laser hair growth treatments, prescription topicals and at-home therapies to minimally invasive hair grafting. GetHairMD is one of the first in the United States to offer FDA-cleared TransDermal

Infusion for hair loss, which drives specially formulated, medical grade serum directly into the scalp for superior results.

"We are thrilled to partner with Weaver Clinics to bring our effective hair restoration solutions to patients in Oklahoma," said [Paul Herchman](#), CEO of GetHairMD. "Dr. Weaver's dedication to comprehensive patient care aligns perfectly with our mission of providing safe, proven hair restoration options that empower individuals to achieve their optimal hair restoration outcomes."
