

Local Language Recognized as a 2024 Inc. Fastest-Growing Company

The leader in art consulting and creation for commercial spaces is the exclusive art supplier to be recognized as a top-growing company by Inc. Media this year.

OAKLAND, CALIFORNIA, UNITED STATES, August 21, 2024 /EINPresswire.com/ -- Local Language, the leader in art consulting and creation for commercial spaces, has been recognized as one of the fastest-growing private companies in America, according to Inc. Media. As a true category leader, Local Language is the only art supplier to make Inc.'s 2024 fastest-growing company list.

This achievement is backed by the company's 115% three-year growth. This landmark growth is attributed to expanded partnerships with leading hotel brands and design firms, including Marriott, Hilton, Hyatt, Looney & Associates, Jeffrey Beers International, and AvroKO.

There are 6.1 million privately held businesses in the U.S. that qualify to be considered for Inc.'s fastest-growing annual list. The prestigious ranking provides a data-driven look at the most successful companies within the economy's most dynamic segment—its independent, entrepreneurial businesses. With this recognition, Local Language joins a list that has recognized companies like Patagonia, Microsoft, Chobani, Under Armour, Timberland, Oracle, and Meta, which are now household-name brands that gained their first national exposure as Inc. honorees.

“

This recognition validates our mission to delight clients with exceptional art while creating lasting opportunities for artists to thrive.”

"We are deeply honored to be recognized as a top-growing company," said Jordan Bunnell, CEO of Local Language. "Finding a space within commercial properties to bring artwork into the world has allowed us to sustain creativity and uplift our community. This recognition validates our mission to delight clients with exceptional art while creating lasting opportunities for artists to thrive."
