Convenience Food Boom Driving Market Growth

The burgeoning demand for convenience foods is anticipated to further boost the growth of the tomato pastes and purees market. Convenience foods, designed for minimal preparation, align well with the modern

consumer's preference for quick, ready-to-eat meals. As consumers seek convenient cooking solutions, tomato pastes and purees become essential for enhancing flavor in easy-to-prepare dishes. According to the United States Department of Agriculture, the total value of US processed food product exports rose to \$36.59 billion in 2023, up 1.7% from 2021, underscoring the increasing relevance of convenience foods.
