Definition:

A mortgage brokerage service is a professional service that acts as an intermediary between

individuals seeking mortgage loans and lenders. The primary role of a mortgage broker is to help clients find and secure the best mortgage products suited to their financial needs and goals.

Market Drivers:

Technological improvements in virtual platforms decorate efficiency and accessibility for each brokers and clients

Market Opportunities:

Growing adoption of cellular applications for loan applications gives brokers new avenues to interact with customers and streamline operations

Market Challenges:

Regulatory modifications and compliance requirements create operational complexities, growing costs and potentially restricting market entry for smaller players.

Market Leaders & Development Strategies:

On 8th June 2022, United Wholesale Mortgage (UWM) launched 'Boost' a new platform for mortgage brokers to access purchase leads, reconnect with past clients, and identify real estate agents. This move aims to help brokers manage client relationships and improve efficiency amid rising rates and intense competition in the mortgage market.
