

PB5STAR SIGNS SPONSORSHIP DEAL WITH PROFESSIONAL PICKLEBALL PLAYER GRAYSON GOLDIN

Partnership Highlights PB5star's Commitment to Supporting Top Talent in Men's Pickleball

FLORIDA, USA, August 26, 2024 /EINPresswire.com/ -- [PB5star](#), an innovative leader in pickleball apparel, proudly announces its sponsorship of professional pickleball player Grayson Goldin. Grayson's passion for the sport and his meteoric rise in the pickleball world make him an ideal ambassador for PB5star's brand, which is committed to supporting athletes who embody the spirit of competition and determination.

Grayson Goldin's journey into pickleball is as unique as his playing style. Originally drawn to the sport through casual morning games with real estate investors, Grayson quickly realized the potential of pickleball and decided to compete professionally. His dedication paid off when he secured his first gold medal at the APP tour in Cincinnati, an experience he describes as a testament to the resilience and mental fortitude required to succeed in competitive sports. "Champions find a way to win even when they aren't having their best day," Grayson reflected, highlighting the mindset that has propelled him to the top.

PB5star is thrilled to partner with Grayson, recognizing his potential to inspire others both on and off the court. "Grayson's drive and commitment to excellence align perfectly with our brand values," said Chris Gallagher, Founder and CEO at PB5star. "We're excited to support him as he continues to make his mark in the sport and to provide him with the high-performance gear that helps elevate his game."

In his training, Grayson emphasizes a rigorous routine of daily drills, weight training, and movement exercises. His favorite shot, the serve, is a powerful weapon in his arsenal, and he credits his success to an all-in approach to every aspect of the game. "The key to hitting a big serve is using the ground and putting everything you have into the shot," Grayson explained.

Grayson also values the social aspects of pickleball, particularly the energy of playing on championship Sundays or in finals, where the atmosphere is electric. These experiences have reinforced his commitment to the sport and his desire to see it grow even further.

As PB5star and Grayson Goldin embark on this new partnership, the future looks bright for both the brand and the athlete. Together, they aim to continue driving the popularity of pickleball,

showcasing the best that the sport has to offer.
