MIDDLETOWN, NEW YORK, UNITED STATES, August 21, 2024

/EINPresswire.com/ -- Sobo & Sobo, a leading personal injury law firm, proudly announces that two of its esteemed injury lawyers, Theresa Regis, Esq., and Melanie-Ann Delancey, Esq., have been named among the country's "Top 40 Under 40 Attorneys" by The National Trial Lawyers. This accolade is reserved for the 40 highest-ranked young trial attorneys in the nation who have demonstrated superior qualifications, trial results, and leadership in their respective fields.

The National Trial Lawyers, a professional organization of America's top trial lawyers, selects only a limited number of attorneys from each state who have shown exceptional skill and dedication to their clients and the legal profession. Membership in the Top 40 Under 40 is by invitation only and extended exclusively to those attorneys who exemplify superior qualifications, trial results, and leadership.

The selection process for this prestigious list considers not only professional achievements but also a commitment to ethical practices and community involvement. The selection of both Regis and Delancey underscores their dedication to their clients, their impact on the legal field, and
