# Elixir is Supercharging Growth through New Client Wins

The most recent client acquisition is of Retreat Care Group, a health and well-being provider.

DUBLIN, CALIFORNIA, UNITED STATES, August 23, 2024 /EINPresswire.com/ -- Elixir is proud to announce its latest client win, Retreat Care Group, following a highly competitive due diligence process. Retreat Care Group has selected Elixir to implement comprehensive modules of the Elixir Contact Center, Electronic Health Record (EHR), and Patient Portal, marking a pivotal step in transforming their patient care and operational efficiency.

This strategic partnership will allow Retreat Health to:

> Elixir product team has made remarkable progress in the last few years by focusing on product excellence, innovation, and customer success. Winning Retreat Care Group account is a testament to this."
>
> *Rajeev Kumar, CEO of Elixir*

1) Enhance Patient Interaction: With the Elixir Contact Center and Patient Portal, patients can effortlessly manage appointments, view health information, and communicate with care staff through a user-friendly interface.

2) Streamline Operations: Customized workflows and automations within the Elixir EHR will reduce administrative burdens, enabling healthcare providers to focus more on patient care.

3) Improve Data-Driven Decisions: Advanced reporting and dashboard capabilities will offer Retreat Health critical insights into care metrics and operational efficiency, driving better decision-making and outcomes.

Rajeev Kumar, CEO of Elixir, expressed his enthusiasm about the partnership: "Elixir product team has made remarkable progress in the last few years by focusing on product excellence, innovation, and customer success. Winning Retreat Care Group account is a testament to this. We are excited to collaborate with Retreat Care Group to enhance their patient care and operational efficiency through Elixir's cutting-edge technology."

Arthur Goldshteyn, CTO of Retreat Care Group, shared his thoughts: "Choosing Elixir was a strategic decision for us. We are confident that this partnership will significantly enhance our ability to provide exceptional care to our patients and streamline our operational processes."

About Elixir
Elixir is a comprehensive product suite powered by Salesforce, designed to enhance patient care and operational efficiency for healthcare providers. Offering solutions for EHR, Contact Centers, and Patient Portals, Elixir empowers healthcare organizations to deliver superior care through innovative technology.

About Retreat Care Group
Retreat Care Group is a health & wellbeing provider to people who want to take a natural, forward-thinking approach to their health. Their goal is to partner with their patients on their path to optimal health, wellness, and vitality. Through their functional medicine approach, they identify the root cause of disease and treat the underlying imbalance rather than symptoms.
