

# Discover Innovation in Building & Decoration: Ledes to Showcase at BDExpo in Los Angeles

*As an electrical conduit products manufacturer, Ledes is making its debut at BDExpo. We invite you to visit our booth to talk about your next electrical project*

DONGGUAN, GUANGDONG, CHINA, August 22, 2024 /EINPresswire.com/ -- Ledes is thrilled to announce its participation at the 2024 Building & Decoration Expo Los Angeles taking place from September 11-13 at the Los Angeles Convention Center. As one of the largest building and construction trade shows on the West Coast, it has attracted over 32,000 construction professionals on previous exhibitions, this expo offers the ideal stage for Ledes to present its cutting-edge product and solutions that redefine modern construction and design.

The graphic is a dark teal invitation letter for the BDExpo. At the top left is the 'LEDES' logo. To its right is the BDExpo logo, which consists of two white curved shapes forming a stylized 'B' and the text 'BDExpo BUILDING & DECORATION EXPO'. Below this, the word 'INVITATION' is written in large, white, bold, sans-serif capital letters. Underneath, the dates 'September 11 - 13, 2024' and the booth location 'Booth: F201, Hall-G' are listed in white. The central part of the graphic features a 3D rendering of the Ledes booth. The booth has a white counter with the Ledes logo, a large display screen showing 'The 1st UL651, CSA C22.2 No.211.2:06 approved China manufacturer', and a large green 'e' logo. Two people are shown sitting at a table in front of the booth. At the bottom left, the address 'Address: 1201 S Figueroa St, Los Angeles, CA 90015' is provided. At the bottom right, the website 'www.ledestube.com' is shown with a magnifying glass icon.

Ledes BDExpo Invitation Letter

The Building & Decoration Expo is a premier platform that brings together industry leaders, innovators, and enthusiasts to explore the future of construction and interior design. It has attracted 957 exhibitors with an exhibition area of 35,00 square meters. The upcoming exhibition in Los Angeles has 250 verified exhibitors, with 8,000 square meters of exhibiting area and over 6,000 qualified products will be showcased at the exhibition, including building and architecture materials, bathrooms and kitchens, hardware tools, and system lighting. With a diverse range of exhibitors and attendees, this event serves as a melting pot of creativity and expertise.

As a specialized manufacturer of electrical conduit products, Ledes is making its debut at this exhibition. We are set to showcase several advantageous product series, including:
