

# OPN Sound Unveils Mezzo+: Ultra-Light, Affordable, and Comfortable Bone Conduction Headphones

*Experience the perfect blend of comfort and advanced features with OPN Sound's latest innovation, the Mezzo+*

BOCA RATON, FLORIDA, UNITED STATES OF AMERICA, August 22, 2024 /EINPresswire.com/ -- OPN Sound is excited to introduce [Mezzo+](#), an innovative audio device that continues to refine the open-ear the listening experience. Featuring advanced [bone conduction](#) technology and Bluetooth 5.3 connectivity, Mezzo+ delivers premium sound quality while keeping you connected to, and aware of your surroundings—all at an [affordable](#) price.

## Key Features of the Mezzo+:

- **Advanced Bone Conduction Audio:** Enjoy crystal-clear sound through bone conduction technology, keeping you aware of your surroundings.
- **Ultra-Light, Comfortable Design:** Weighing less than 1 oz [26 gm], Mezzo+ offers a secure, pain-free listening experience with its ergonomic, over-the-ear design.
- **IPX6 Water Resistance:** Built to endure, Mezzo+ is water-resistant, making it perfect for all weather conditions and intense workouts.
- **ENC Dual Noise-Canceling Mics:** Take calls with clarity, thanks to noise-canceling microphones and noise canceling software that eliminate background noise delivering crystal clear communications.
- **Long-Lasting, Fast-Charging Battery:** Up to 7 hours of battery life with a quick 10-minute charge for 5 more hours of listening.
- **Limited Lifetime Warranty:** Mezzo+ comes with a limited lifetime warranty, ensuring your
