

# LOBO Systems Secures ISO 9001:2015 Certification Renewal

DERBY, DERBYSHIRE, UNITED KINGDOM, August 22, 2024

/EINPresswire.com/ -- [LOBO Systems](#), a leading provider of a unique Access Platform, is proud to announce the renewal of its ISO 9001:2015 certification, scoring a perfect score of 100% within the latest assessment. The certification, issued by the [British Assessment Bureau](#), underscores

Renewing our certification is a testament to our focus on quality and continuous improvement. Our team is committed to upholding these standards to ensure clients receive the best products & services."

*Rob Bokros, CEO of LOBO Systems*

LOBO Systems' dedication to delivering the highest standards in the distribution of safe working height solutions across various sectors globally.

The latest certification, valid until 03 September 2027, ensures that LOBO Systems continues to meet the rigorous requirements of the ISO 9001:2015 standard, which focuses on consistent quality management practices. This achievement highlights LOBO Systems' ongoing efforts to enhance customer satisfaction by providing reliable and innovative products, primarily serving the manufacturing, food, beverage, and other critical markets.

Feel free to check out LOBO's Trustpilot page to see what customers have to say about their products and services.

This certification renewal builds on the company's initial certification achieved on 04 September 2017, reflecting LOBO Systems' sustained compliance with global quality benchmarks.
