This highly anticipated event brings together NFL icons, golf enthusiasts, and community supporters to raise funds for the Chris Howell Foundation’s (CHF) mission of serving vulnerable families across North Texas.

Founded by Chris Howell, a local broadcast personality, and his wife, Dominique Bryant-Howell, the Chris Howell Foundation has been instrumental in addressing health, wellness, and financial literacy disparities in underserved

communities since its inception in 2016.

Over the past few years, CHF has distributed more than 3 million pounds of food to over 101,000 families in North Texas, helping alleviate food insecurity in areas hardest hit by the COVID-19 pandemic. In addition to providing food, the Foundation also offers financial literacy programs, male empowerment initiatives, and health and wellness screenings to help families achieve self-sufficiency.

“People can’t be healthy or well without proper nutrition,” said Dominique Bryant-Howell, Executive Director of the Chris Howell Foundation. “Our food insecurity program has been a lifeline for many families. The funds raised through this tournament will allow us to expand our efforts and continue delivering vital services to even more individuals in need.”

The tournament promises an exciting day of golf, featuring NFL alumni and legends, including Billy Joe Dupree and Ed “Too Tall” Jones, along with an awards luncheon, goody bags, and numerous opportunities to engage with local sports heroes. Whether participating as a player or a spectator, attendees will be part of a community-driven effort to give back to those who need it most.

“This event is about more than just golf,” said Ed “Too Tall” Jones. “It’s about coming together as a community to help families across North Texas thrive.”

“We’re inviting everyone to come out and support this amazing cause,” added Billy Joe Dupree. “Your participation will have a direct impact on the lives of thousands of families who depend on the Chris Howell Foundation’s programs.”

The Chris Howell Foundation is a registered 501(c)(3) organization, and all funds raised will go directly to sustaining its programs, including its expanded efforts through the Southern Dallas Economic Opportunity Center (SDEOC). Through the SDEOC, CHF is building out warehouse
