

# TransactionsIP Co-Founders Recognized as Top Intellectual Property Strategists - World's Leading IP Strategists for 2024

BOCA RATON, FLORIDA, UNITED STATES, August 22, 2024

/EINPresswire.com/ -- Richard Ehrlickman and Tom Major received recognition as one of The World's Leading Intellectual Property Strategists by Intellectual Asset

Magazine (IAM). The IAM Strategy 300 Pinpoints world leading IP Strategists for 2024, and is a unique guide that lists the individuals who have demonstrated world-class skills and top-tier services relating to the development and implementation of strategies which enable IP owners to maximize the value of their portfolios. It is a recognition to those select individuals working on the front lines of IP value creation and IP Strategies.

"It is a privilege and honor once again to be recognized by IAM for our IP expertise and our contributions to the overall IP industry and IP Marketplace. Our goal is to create maximum value for our clients from their Patents and IP Assets," said Mr. Ehrlickman. "Rich and I have been working together for over 15 years in support of client IP transactions. Again, I would like to thank IAM for the recognition and the contribution that it brings to the IP industry," said Mr. Major.

Mr. Ehrlickman continued "Tom and I pride ourselves on 'Getting the Deal Done' and being 'Closers' as we finalize successful IP Transactions for our clients. Therefore, the company we founded is appropriately named TransactionsIP." Mr. Ehrlickman has been named to the IAM Strategy 300 for 13 years since its inception, and this is the 8th year for Mr. Major.

The 2024 edition of the IAM Strategy 300: World's Leading IP Strategists is now available online at <https://www.iam-media.com/rankings/strategy-300>. The IAM Strategy 300 identifies the individuals at the forefront of development and implementation of strategies that maximize IP portfolio value.

IAM (<http://www.IAM-Media.com>) is the only intelligence service to provide global coverage of the IP value creation environment. Its unrivaled coverage and in-depth analysis of key sectors give executives critical business intelligence to maximize their IP value. Our unique and timely

Patent Brokerage and Valuation

intelligence service informs high-level decision making in boardrooms globally.
