

# Oculus Eyecare Offers Personalized Styling Appointments for Glasses Frames Sourced From Independent Designers

*Oculus Eyecare, Seattle's premier optometry practice and optical boutique, offers personalized styling appointments to customers and patients.*

SEATTLE, WASHINGTON, UNITED STATES, August 22, 2024

/EINPresswire.com/ -- Oculus Eyecare, Seattle's premier optometry practice and optical boutique, offers personalized styling appointments to customers and patients. These appointments are designed to help individuals find the perfect pair of frames that match their lifestyle and personality. With a vast collection of high-quality, sustainably made frames sourced from independent designers, Oculus Eyecare continues to set the standard for luxury eyewear and unparalleled customer service.

Located in the heart of South Lake Union on Denny Way, Oculus Eyecare has become the go-to destination for Seattle residents seeking [comprehensive eye care services](#) and [stylish, high-quality eyewear](#). Their personalized styling appointments underscore the company's commitment to offering an exceptional and tailored experience for each visitor.

Oculus Eyecare offers an extensive collection of frames for customers to choose from that stand out not only for their design but also for their craftsmanship. Sourced from independent designers around the globe, many of [the frames available at Oculus Eyecare](#) are handmade by talented artisans dedicated to creating eyewear that is both beautiful and functional. Among the luxury designers featured at Oculus Eyecare are Jacques Marie Mage, Barton Perreira, and

Oculus Eyecare carries a variety of Jacques Marie Mage eyewear, both online and at their Seattle optical boutique.

Caroline Abram—names synonymous with exquisite craftsmanship and timeless style. These designers are known for their meticulous attention to detail, innovative designs, and use of premium materials. Every pair of glasses and sunglasses from these collections is a testament to the artistry and skill of the creators.

The team at Oculus Eyecare consists of experienced and knowledgeable optometrists and opticians who are passionate about helping clients find the perfect frames. With years of expertise in the field, they offer expert frame and lens consultations that consider each customer's facial features, personal style, and optical needs. Whether a customer is looking for a pair of glasses that makes a bold fashion statement or seeking something subtle and classic, the opticians at Oculus Eyecare are equipped to provide personalized recommendations that ensure a perfect fit.

Oculus Eyecare's eyewear collection features quality, handmade frames that are comfortable, lightweight, and built to last.

Oculus Eyecare's commitment to quality extends beyond the selection of frames and lenses. The boutique is equipped with an on-site lab that allows for efficient service and improved quality control. This state-of-the-art facility enables the team to craft and customize lenses on-site, reducing wait times and ensuring that each pair of glasses meets the highest standards of quality. Having an on-site lab also allows for quick and precise adjustments and repairs. This level of service ensures that customers leave the boutique not only with a pair of frames they love but also with the confidence that their eyewear will serve them well for years to come.
