VANCOUVER, WASHINGTON, USA, August 23, 2024 /EINPresswire.com/ -- [Carol Parker Walsh Consulting Group](#), a leading innovative leadership and talent development solutions provider, has been awarded a coveted bronze [Brandon Hall Group](#) HCM Excellence Award for its "Fostering Safety to Empower Equity and Inclusion" program.

The Excellence Awards recognize the best organizations that have successfully developed and deployed programs, strategies, modalities, processes, systems, and tools that have achieved measurable results.

Carol Parker Walsh Consulting Group created and implemented a three-phase learning and change management program, which captured bronze in the "Best Learning Program that Supports and Promotes Diversity, Equity, Inclusion, and Belonging" category. The program was designed for [Atlantic Street Center](#) to enhance collaboration, foster a supportive culture, and establish employee trust and safety. The organization knew it needed help integrating its social justice mission into its daily practice, but it lacked the internal expertise to do so. The program's measurable results with Carol Parker Walsh Consulting Group include increased employee engagement, enhanced communication, and a more inclusive workplace culture.

“

Our rigorous evaluation process has confirmed these programs as industry-leading in their effectiveness and impact on employee satisfaction.”
