

airKitchen Reaches 100 Cooking Classes in Thailand and Vietnam

NAGOYA, AICHI, JAPAN, September 3, 2024 /EINPresswire.com/ -- airKitchen, the cooking class booking platform, is pleased to announce that the total number of cooking classes in Thailand and Vietnam has surpassed 100. This milestone reflects airKitchen's accelerating growth in the Asian market and its efforts to connect local hosts with travelers.

The cooking classes in Thailand and Vietnam offer a unique opportunity to learn traditional local dishes under the guidance of local hosts, who welcome participants into their homes or restaurants. Travelers can shop for fresh ingredients at local markets and then prepare authentic dishes, gaining a deep understanding of the culture and lifestyle beyond mere sightseeing.

Looking ahead, airKitchen aims to further expand the number of cooking classes offered in Thailand, Vietnam, and other Southeast Asian countries, providing travelers with even more cultural experiences. We also plan to increase the number of classes that use sustainable ingredients and explore new regions.
