

Justin Bishop Joins Balco as West Regional Sales Manager for Metacaulk®

Leading Firestop Solutions Provider Expands Team to Strengthen Market Presence

WICHITA, KANSAS, UNITED STATES, August 26, 2024 /EINPresswire.com/ -- [Balco](#), a leading manufacturer of high-performance construction products and a wholly-owned subsidiary of [CSW Industrials, Inc.](#) [NASDAQ: CSWI], is pleased to announce the appointment of Justin Bishop as West Regional Sales Manager for Metacaulk®, a leading brand of firestop solutions.

In his new role, Bishop will oversee sales and provide technical product support for Metacaulk products throughout the western United States, including Montana, Wyoming, Colorado, Oklahoma, Texas, Idaho, Utah, Arizona, Washington, Oregon, California, Nevada, Hawaii, and Alaska.

Justin Bishop joins Balco as West Regional Sales Manager for Metacaulk, a leading brand of firestop solutions.

Metacaulk offers a comprehensive range of firestop solutions designed to protect buildings from fire, smoke, and other hazards. These high-performance products are essential for maintaining the fire-resistance rating of walls, floors, and other critical building components. Metacaulk solutions are engineered to withstand flames, smoke, hot gases, heat, water, and weather conditions for up to four hours.

“

Justin's experience and proven track record in the firestopping industry make him an excellent fit for this role.”

John Harder, Vice President of Sales and Marketing at Balco

“We are thrilled to welcome Justin to the team,” said John Harder, Vice President of Sales and Marketing at Balco. “His experience and proven track record in the firestopping industry make him an excellent fit for this role. We are confident that Justin will play a key role in driving growth and expanding our reach in the western U.S. market.”

Bishop’s extensive experience in the firestopping industry

includes a notable tenure as Regional Sales Manager at nVent Thermal in Denver, CO, where he was responsible for three major product lines and led their network of manufacturing reps for

the U.S. west region. Prior to this, Bishop served as Field Engineer at Hilti North America in Kansas City, MO. In this position, he provided technical support for firestop, fasteners, and modular support systems.
