James Simmons

[A Legacy of Advocacy and Justice](#)

Founded by Attorney James Simmons, Simmons Law Group has quickly become synonymous with excellence in legal representation in Central Florida. Attorney Simmons' journey into personal injury law was born out of personal experience. After surviving a catastrophic motorcycle accident in 2008, he faced the harsh realities of navigating

the legal and healthcare systems as a victim. This life-changing event inspired him to dedicate his career to advocating for others who find themselves in similar situations.

Attorney Simmons brings a unique perspective to his practice, having spent years defending insurance companies, medical facilities, and corporations in high-stakes civil defense cases. This experience provided him with an insider's understanding of how these entities operate, which he now uses to the advantage of his clients. His legal expertise is not just theoretical but deeply personal, rooted in a desire to ensure that no one faces the challenges he once did without a formidable advocate by their side.

Comprehensive Legal Services

[Simmons Law Group specializes in a wide range of personal injury cases](#), including but not limited to:

Automotive & Vehicular Accidents: Whether it's a car, motorcycle, or pedestrian accident, The Simmons Law Group has a proven track record of securing significant settlements and verdicts for victims.

Medical Malpractice: The firm is known for its expertise in handling complex medical malpractice cases, where the stakes are often life-altering.

Slip & Fall Accidents: The Simmons Law Group is adept at navigating the intricacies of premises liability cases, ensuring that property owners are held accountable for unsafe conditions.

Nursing Home Abuse & Elder Neglect: The firm is a fierce advocate for the elderly, fighting against institutions that fail to provide the standard of care their residents deserve.

Negligent Security: The Simmons Law Group takes on cases where inadequate security measures have led to preventable harm, holding property owners and businesses accountable.

Client-Centered Approach

What sets The Simmons Law Group apart from other law firms is its unwavering commitment to client service. Attorney Simmons and his team understand that each case is not just a legal matter but a personal one. They take the time to listen to their clients, understand their unique situations, and develop tailored strategies that best serve their needs. This personalized approach ensures that clients are not just another case number but are treated with the respect and compassion they deserve.

The firm operates on a contingency fee basis, meaning clients pay nothing unless a recovery is made on their behalf. This model reflects the firm's confidence in its ability to deliver results and its commitment to making justice accessible to everyone, regardless of their financial situation.
