

BOSS Expands to Lake City, Georgia

*New Location Enhances Heavy Haul and Lift Services
in Southeast USA*

ATLANTA, GA, UNITED STATES, August 26, 2024 /EINPresswire.com/ -- Bennett On-Site Services, LLC, operating as BOSS Crane & Rigging and its wholly owned subsidiary, BOSS Heavy Haul, LLC,

His unparalleled commitment to customer service, expertise, and leadership will be instrumental as we grow our presence in Atlanta and continue to deliver exceptional service to our clients."

Richard Miller

trusted affiliates of the Bennett Family of Companies, are proud to announce the expansion of their geographical footprint, service areas, and capabilities with a new location just south of Atlanta, Ga.

BOSS has acquired a leased property at 1587 Burks Drive in Lake City, Ga., featuring a 4-acre yard and office space. This strategic expansion will enhance BOSS' ability to provide specialized heavy haul and heavy lift services across the Southeast, positioning the company to better serve its clients and projects in the region.

Additionally, BOSS is delighted to announce the appointment of Dave Johnson as Director of Bennett On-Site Services, LLC (dba BOSS) in Georgia. As a seasoned industry professional, Johnson brings over 40 years of expertise in heavy haul and heavy lift operations, including rail transport and specialized hauling services. His deep understanding of the region, combined with his extensive industry knowledge and unwavering dedication to customer satisfaction make him a valuable addition to the BOSS team.

Richard Miller, President of BOSS Crane & Rigging and BOSS Heavy Haul, (collectively "BOSS") states, "I am excited to welcome Dave Johnson to the BOSS family. Dave brings invaluable experience to the team with his knowledge of the region. His unparalleled commitment to customer service, expertise, and leadership will be instrumental as we grow our presence in Atlanta and continue to deliver exceptional service to our clients."

Miller adds, "The opening of this branch will also allow BOSS Crane & Rigging to expand their geographical footprint showcasing BOSS' collective capabilities to offer clients in the region a full package of services from specialized transportation, specialized rigging services and rail services to crane services all under one umbrella."

Dave Johnson adds, "I am incredibly excited about the awesome opportunity BOSS has given me.

I look forward to being a part of such a talented team and contributing to the growth and success of our business in the Southeast.”

The strategic addition of BOSS in Atlanta not only bolsters BOSS Heavy Haul’s industry leadership but also enhances customer benefits. With an expanded fleet, additional specialized equipment, and a team of highly skilled operators, BOSS is committed to delivering superior service and added value to its clients.

ENDS

Photo caption: BOSS Heavy Haul recently completed its inaugural project from its new Lake City, Ga. yard, safely and efficiently transporting a 76,000-pound transformer. The team expertly hauled the load to the site, then skillfully slid and positioned it onto its foundation with precision, demonstrating BOSS's commitment to safety and operational excellence.
