

KSB Expands U.S. Distribution Network with KM Specialty Pumps Partnership

KSB USA partners with KM Specialty Pumps to expand its network and enhance its reach in Kentucky, southern Illinois, southern Indiana, and Indianapolis.

RICHMOND, VIRGINIA, USA, August 28, 2024 /EINPresswire.com/ -- KSB USA, a leader in pump

“

Trustful partnerships are the cornerstone of success, and this collaboration is a testament to our shared commitment to delivering top-tier, innovative solutions for pumps, valves, and service.”

Rene Kopp, vice president of standard business, KSB North America

and valve manufacturing, is pleased to announce the expansion of its distribution network in the United States through a strategic partnership with KM Specialty Pumps. This collaboration enhances KSB's reach in the industrial sector for standard pumps across Kentucky, southern Illinois, and southern Indiana, including the Indianapolis market.

This strategic partnership marks a significant milestone in KSB's expansion efforts within the U.S. market, enhancing the company's ability to deliver high-quality products and solutions to a broader range of industrial customers.

“We're thrilled to join forces with KM Specialty Pumps, a company that embodies the same dedication to excellence that drives KSB,” said Rene Kopp, vice president of standard business for KSB North America. “In our industry, trustful partnerships are the cornerstone of success, and this collaboration is a testament to our shared commitment to delivering top-tier, innovative solutions for pumps, valves, and service.”

KM Specialty Pumps, based in Chandler, Indiana, has been a trusted provider of specialized pumping solutions to various industries for over 30 years. With its extensive experience and commitment to customer service, KM Specialty Pumps is well-positioned to deliver KSB's high-quality industrial standard products to a broader audience.

Dan Pritchard, vice president of KM Specialty Pumps, added: "Joining forces with KSB is a significant step forward for us. Our customers will benefit from KSB's industry-leading products, which are backed by our local expertise and service capabilities. We are eager to bring these solutions to the markets we serve."

###

About KSB

KSB is a leading international manufacturer of pumps and valves. The Frankenthal-based Group has a presence on five continents with its own sales and marketing organizations, manufacturing facilities, and service operations. With a workforce of around 16,000, the KSB Group generated sales revenue of approximately € 2.8 billion in 2023. In the U.S., KSB provides advanced centrifugal pump and valve technology across various industries. KSB SupremeServ offers 24/7 service, repair, and diagnostics for all rotating equipment brands through eight service centers nationwide. For more information, please visit:
