New PROTEUS420 Software Simplifies Operations for Cannabis Consumption Lounges

The software simplifies lounge operations by streamlining systems, ultimately providing a seamless experience for operators and customers.

SAN DIEGO, CALIF., UNITED STATES, August 27, 2024 /EINPresswire.com/ -- PROTEUS420, a leading online enterprise resource planning (ERP) system for highly regulated industries including alcohol and cannabis, today announced a significant update to its seed-to-sale platform explicitly designed for cannabis consumption lounges. This innovative software

PROTEUS420 is an online enterprise resource planning (ERP) system for businesses in e-commerce, retail, healthcare, and highly regulated industries, including alcohol and cannabis. PROTEUS420 offers a single-source solution for their business operations.

streamlines lounge operations by simplifying order fulfillment, payment methods, and THC consumption tracking, providing a seamless experience for both operators and customers.

"

By integrating compliance and operational needs into one seamless system, we're providing consumption lounge operators with the tools they need to succeed in this emerging market."

Dawne Morris, CEO and co founder PROTEUS420

"This new platform is a game-changer for cannabis consumption lounges," said Dawne Morris, CEO and co-founder of PROTEUS420. "By integrating compliance and operational needs into one seamless system, we're providing lounge operators with the tools they need to succeed in this emerging market."

With this update, PROTEUS420 introduces a unique wristband system that tracks customer orders and ensures compliance with state consumption limits. This technology enhances lounges' operational efficiency and offers improved data capture and marketing opportunities.

Lounge operators can manage their businesses more effectively while customers enjoy a safer, more regulated environment.

Currently, [12 states across the U.S.](#) have legalized social cannabis consumption lounges, each with varying regulations. PROTEUS420's updated platform is designed to help lounges in these states offer safe, compliant, and enjoyable experiences for their patrons.
