

Scardanelli meets witches in Brittany forest

New album crowdfunded from hit songwriter

MERLEAC, BRITTANY, FRANCE, August 27, 2024 /EINPresswire.com/ -- Award-winning English singer-songwriter Simon Scardanelli (Big Bam Boo - top 20 - 1989 USA & Canada) ([SanRemo Songwriting Award 2023](#)) has a crowdfunder for his new album.

It's been almost 5 years since "The Rock, the Sea, the Rising Tide"

"Inspired by an auspicious meeting in the magical forest of Huelgoat, Brittany, I began writing the songs for a new album in February last year. Catapulted into a doomed love affair I wrote many, many songs. Most of them were never going to see the light of day, and, once the dust had settled and I was able to look at the events with some perspective, I wrote the title track "Underneath the Singing Tree" - a slightly whimsical and more light-hearted look at what had happened."

Beware the elves, witches and pixies in the forest!
