

# Widow's 30-Year Fight for Justice – Terry Mosser's Book 'In Search of Texas Justice' Chronicles Her Legal Battle

*Mosser narrates the first-hand account of courage, perseverance and resilience as portrayed by Carol, who kept fighting the legal battle for her rights.*

NEW YORK CITY, NEW YORK, UNITED STATES, August 27, 2024 /EINPresswire.com/ -- Author Terry Mosser has released a meticulously researched book titled "In Search of Texas Justice Widow's Nightmare" that provides an in-depth look at the inspiring true story of one woman's heroic three-decade-long fight for legal justice.

The gripping saga begins on a tragic day in 1980 when Carol Rogers' life was forever altered by the sudden death of her husband in a small plane crash in rural West Texas. Left to pick up the pieces as a young widow at just 30 years old, Carol was thrust into a nightmare of complex legal battles surrounding her late husband's estate.

What followed was a 29-year ordeal involving alleged malpractice by multiple attorneys, fraudulent claims against the estate, endless procedural delays, and a civil court system in Houston that failed Carol at virtually every turn. Through it all, she refused to give up her relentless pursuit of a fair resolution and her day in court, no matter the cost.

In "In Search of Texas Justice Widow's Nightmare," Mosser reconstructs every step of Carol's journey from 1980 until 2009 through extensive documentation of court motions and hearings, as well as interviews with Carol and individuals involved behind the scenes. Readers bear witness to Carol's unwavering strength, resilience, and determination to achieve justice against all odds despite facing unfair ruling after unfair ruling.

Mosser's level of research and his personal account lend the storytelling an invaluable sense of authenticity, transporting readers right into the courtroom drama alongside Carol. Specific

details of legal strategy, motions filed, procedural delays imposed, and the emotional toll gradually build to keep pages turning. At the same time, a deft touch of storytelling makes Carol's inspiring spirit shine through.

The book also honors the unsung female heroes within the Houston court system who took Carol's case to heart and lent invaluable assistance. Their compassionate support played a pivotal yet underreported role in keeping Carol's spirits afloat.

At its heart, "In Search of Texas Justice Widow's Nightmare" pays a powerful tribute to one ordinary woman's extraordinary example of unwavering faith in the system and commitment to truth. "Carol's story is one that needed to be shared to shine a light on perseverance and dedication to justice against all odds," said Mosser. "I hope her story and strength of spirit will continue to inspire others facing their own uphill legal battles."

Terry Mosser eloquently weaves a true story that serves equal parts inspiration and indictment of flaws within the civil legal process. It leaves readers in awe of Carol Rogers' perseverance and upholds her as the epitome of courage against all odds. Most importantly, her legend lives on as a reminder that one person with a righteous belief in justice can and will make a difference. For more information, visit <http://www.terrymosserbook.com>.

#### About Terry Mosser

Terry F. Mosser is an Ohio native who has lived a life guided by principles of commitment, trustworthiness and making a positive impact. He was Carol's civil power of attorney and had seen her battle first-hand. Even after her death, Terry strives to honor Carol's memory and their pledge to one another through writing about their story in his book and in his daily efforts to build a better, supportive world.
