Rennervations will auction off a collection of surplus vehicles online starting Aug. 26, 2024. All vehicles are located in Reno, Nevada.

Fire trucks available for auction.

The online auction, hosted by Thomas Hayward Auctioneers, will conclude on Thursday, Sept. 5, 2024. Interested bidders can access the auction and view the inventory at [ThomasHaywardAuctioneers.com](https://www.ThomasHaywardAuctioneers.com). Vehicle inspections are available by appointment only starting Aug. 26.

The surplus collection was assembled as part of Rennervations, an original four-part series developed for Disney+. The show focuses on repurposing unused and outdated vehicles, giving them new life, with non-profits in the U.S. and abroad benefiting from the renovations.

"The collection of vehicles is impressive and quite diverse," said Hayward, owner of Thomas Hayward Auctioneers. "Many of the vehicles were acquired from government auctions with the idea of repurposing them. The hope is that others will see the possibilities like the show Rennervations did and continue to give them new life beyond their original purpose."
