

Axis Integrated Mental Health Named "Top Grower" by ColoradoBiz Top 100 Women-Owned Business Awards

Axis Integrated Mental Health honored for leading growth and innovation in reshaping mental health care among top women-owned businesses in Colorado.

LOUISVILLE, COLORADO, USA, August 29, 2024 /EINPresswire.com/ -- Axis Integrated Mental Health is proud to announce its recognition by ColoradoBiz magazine as one of the Top 100 Woman-Owned Companies in Colorado. In addition to earning this distinguished honor, Axis was awarded the [Top Grower Award for having the largest growth](#) among all the top 100 women-owned businesses last year.

This exceptional growth highlights a significant trend: the increasing importance of accessible, innovative mental health care in Colorado's business landscape. At a time when technology companies often dominate growth charts, Axis' rise demonstrates that essential services like mental health care are critical to the state's economic and social fabric.

"Our growth is not just about business success; our company's true legacy is measured by the lives we've touched and the barriers we have broken—not just the numbers on a balance sheet," said Liesl Perez, co-founder and Chief Marketing Officer of Axis Integrated Mental Health. "Our greatest innovations have come from a deep understanding of human needs and addressing them with integrity and care."

Axis Integrated Mental Health's recent achievements build on a solid foundation of excellence. In addition to the Top Growth Award, Axis has been recognized as a Colorado Company to Watch and has been named the Best of Mile High™ Mental Wellness Clinic. For the past two years, Axis has also been honored as the Best Mental Health Clinic in Aurora, further solidifying its reputation for exceptional care. This year, Axis is also a finalist for ColoradoBiz's Top Startup of the Year Award, reflecting its rapid growth and continued impact in the mental health sector.
