With over 20 years of experience in Central Florida, Total Site Amenities has built a reputation for delivering high-quality, custom-built outdoor structures that meet the unique needs of their clients. From serene garden pergolas to large community pavilions, TSA's expertise spans a wide range of outdoor environments. The company's expansion into Ocala marks a significant step in its mission to provide top-notch outdoor solutions to a broader audience.

"We are thrilled to bring our services to the Ocala community," said Elliot Bock, CEO of Total Site Amenities. "Our team is dedicated to crafting outdoor structures that are not only functional but also aesthetically pleasing. Whether it's a cozy gazebo for a residential backyard or a large pavilion for a public park, we are committed to exceeding our clients' expectations with every project."

Custom Outdoor Structures Tailored to Your Vision

At the heart of Total Site Amenities' success is their commitment to personalization. TSA works closely with each client to understand their specific needs, offering tailored solutions that reflect the client's vision and the unique character of their outdoor space. This personalized approach ensures that every structure, whether a pavilion, pergola, or gazebo, is a perfect fit for its environment.

The company's offerings in Ocala include:

Pavilions: Ideal for community gatherings, events, or simply as a shaded retreat, TSA's custom pavilions are designed to blend seamlessly with the natural surroundings.

“

Our expansion into Ocala allows us to bring top-notch, custom outdoor structures that truly enhance the beauty and functionality of any outdoor space.”

Pergolas: Adding both elegance and shade, TSA's pergolas are perfect for gardens, patios, and other outdoor spaces, providing a stylish solution that enhances the area's functionality.

Gazebos: TSA's gazebos serve as stunning focal points in gardens or parks, offering a sheltered space that invites relaxation and socialization.

Quality Craftsmanship and Materials

Total Site Amenities prides itself on using only the highest quality materials and the latest construction techniques to ensure durability and longevity. Each structure is built to withstand the elements while maintaining its beauty and functionality over time.

"Our commitment to quality is unwavering," added Elliot Bock. "We understand that our clients are making an investment in their outdoor spaces, and we take that responsibility seriously. From the initial design phase to the final installation, we ensure that every detail is executed to

the highest standards."

Why Ocala?

Ocala, with its rich natural beauty and growing communities, is an ideal location for TSA's services. The city's mix of residential developments, public parks, and commercial spaces provides ample opportunity for the kind of outdoor enhancements that TSA specializes in. By expanding into Ocala, TSA aims to bring its expertise to a region where outdoor living is an integral part of the lifestyle.

"Our decision to expand into Ocala was driven by the area's unique needs and opportunities," explained Elliot Bock. "Ocala is a community that values its outdoor spaces, and we are excited to contribute to enhancing those spaces with our custom structures."

Comprehensive Services Beyond Structures

In addition to their custom-built structures, Total Site Amenities offers a range of complementary services to ensure that every project is a success. These services include site planning, permitting assistance, and project management. TSA's comprehensive approach allows clients to manage their entire project through a single, trusted provider, simplifying the process and ensuring a cohesive final product.

"We don't just build structures; we build relationships with our clients," said Elliot Bock. "Our goal is to make the process as smooth and stress-free as possible. By offering a full suite of services, we can take care of every aspect of the project, allowing our clients to focus on enjoying their new outdoor space."

Serving a Wide Range of Clients

Total Site Amenities serves a diverse clientele, including homeowners, HOAs, community developers, and municipalities. Their expertise in creating both large-scale public structures and intimate private spaces allows them to meet the needs of a wide range of clients, each with their own unique vision and requirements.

Residential Clients: TSA works closely with homeowners and HOAs to create custom outdoor structures that enhance property value and provide functional, beautiful spaces for residents to enjoy.

Commercial Clients: TSA's structures are also a perfect fit for commercial properties, offering businesses an opportunity to create welcoming outdoor spaces that attract customers and enhance their brand image.

Municipal Clients: For cities and towns, TSA provides durable, aesthetically pleasing structures that can withstand heavy public use while enhancing the overall appearance and functionality of public spaces.

Commitment to Sustainability

Total Site Amenities is also committed to sustainability, using eco-friendly materials and practices wherever possible. The company's approach to sustainable building not only helps protect the environment but also ensures that their structures are a responsible choice for clients who value environmental stewardship.

"We believe that sustainability should be at the core of everything we do," noted Elliot Bock. "From selecting sustainable materials to minimizing waste during construction, we strive to create outdoor structures that are not only beautiful and durable but also environmentally responsible."

Looking Ahead: TSA's Vision for the Future

As Total Site Amenities continues to grow, the company remains focused on its mission to deliver high-quality, custom outdoor solutions that meet the evolving needs of their clients. The expansion into Ocala is just one of many steps TSA is taking to bring their services to more communities across Florida and beyond.
