HO CHI MINH CITY, VIETNAM, August 30, 2024

[/EINPresswire.com/](#) -- [Le Quoc Thai](#), a rising star in the world of beauty pageants, has been appointed the national director of Mister Globe Vietnam. At just 21 years old, Le Quoc Thai quickly made a name for himself in the industry, transforming from a factory worker to a leading figure in Vietnam's beauty pageant scene.

As the new national director, Le Quoc Thai will oversee the organization and management of Mister Globe Vietnam, with a focus on promoting Vietnamese culture and talent on the global stage. His appointment comes after his successful training of Miss Earth Canada 2023, who placed in the top 20 finalists of the international competition.

Le Quoc Thai's journey is one of perseverance and dedication. Originally from Tay Ninh City, he left university at the age of 18 to support his family, working in a garment manufacturing company. Driven by his passion for beauty pageants, he moved to Ho Chi Minh City, where he balanced working as a waiter with studying catwalk techniques and cultivating industry knowledge.

His breakthrough came when he trained Miss Earth Canada 2023, which not only established his reputation but also paved the way for his acquisition of the Mister Tourism Globe rights. His new role as the national director of Mister Globe Vietnam marks a significant milestone in his career and the industry.
