

# Alabama Mesothelioma Victims Center Urges an Auto Mechanic with Mesothelioma or Lung Cancer Anywhere in Alabama to Call the Birmingham Based Environmental Litigation Group About Compensation

BIRMINGHAM , ALABAMA , USA,  
September 9, 2024 /EINPresswire.com/  
-- According to the Alabama Mesothelioma Victims Center, "If your loved one is a current or former auto mechanic who has just been diagnosed with mesothelioma or asbestos exposure lung cancer anywhere in Alabama, please call the Birmingham based Environmental Litigation Group anytime at 866-714-6466 for a conversation about financial compensation. Mesothelioma compensation for an auto mechanic as an example might exceed a million dollars as the lawyers at the Environmental Litigation Group are always happy to discuss.

"An auto mechanic might have had as much exposure to asbestos as a shipyard worker especially if they worked as a mechanic before the mid-1980s-especially if they were routinely replacing auto-truck brakes, transmissions, clutches or worked on engine valves. We have been assisting auto mechanics with mesothelioma or asbestos exposure lung cancer for nearly two decades and based on our experience they almost always underestimate the value of their potential compensation claim.

"If your husband or dad is an auto mechanic who now has mesothelioma or asbestos exposure lung cancer anywhere in Alabama please call the Birmingham based Environmental Litigation Group at 866-714-6466. We strongly recommend the Environmental Litigation Group for a person in Alabama with mesothelioma or asbestos exposure lung cancer."
