

Honey Do Men Gains Prestigious Recognition in the 2024 Inc. 5000 List

Leading home improvement contractor, Honey Do Men, ranked among America's fastest-growing private companies in the esteemed Inc. 5000 list.

CARMEL, NEW YORK, UNITED STATES, September 3, 2024 /EINPresswire.com/ -- Honey Do Men, a comprehensive [home improvement](#) service provider, proudly announced its recognition in

the esteemed Inc. 5000 list for the year 2024. The company, well-known for providing exceptional remodeling, repair, and maintenance services, has been honored by Inc., the world's most trusted business-media brand, as one of the fastest-growing privately held businesses in the United States.

“

This second year in-a-row recognition validates our commitment to providing top-notch services to our customers.”

Darrell Babboni (CEO)

The Inc. 5000 list, an annual compilation by Inc. Magazine, is a prestigious benchmark in the entrepreneurial world, celebrating the innovative businesses and pioneering leaders who show exceptional marketplace growth. This recognition places Honey Do Men in the company of previous honorees that have gone on to become global business icons, including Chobani, Intuit, Microsoft, Oracle, Patagonia, Timberland, and Vizio.

"We are incredibly honored and humbled to be included in the 2024 Inc. 5000 list," said Darrell Babboni (CEO of Honey Do Men). "This second year in-a-row recognition validates our commitment to providing top-notch services to our customers. Our dedicated team has worked tirelessly to ensure the highest level of customer satisfaction, making this moment even more rewarding."

Honey Do Men has built a unique reputation for its wide array of services spanning from complete home

renovation to specific tasks like window replacements, [roof repairs](#), and driveway sealing. The company prides itself on delivering an unparalleled customer experience, setting them apart in the home improvement industry. This dedication to customer care and service quality has driven the company's impressive revenue growth from 2020 to 2023, making them eligible for the Inc. 5000 list with an impressive 191% growth over the last three years.

The 2024 Inc. 5000 list acknowledges rapidly expanding firms in the United States, gauging them on the basis of their percentage revenue growth over a span of three years. Eligible firms must be based in the U.S., for-profit, privately owned, and operational since March 31, 2020. Honey Do Men's achievement underscores the growth of its business and its steadfast dedication to superior quality in the field of home improvement.

About Inc.

Inc. is the world's most trusted business-media brand, providing entrepreneurs with the knowledge, tools, and community to build great companies. The Inc. 5000 list, produced annually since 1982, ranks the fastest-growing privately held businesses in the United States based on percentage revenue growth over a three-year period.
