

Batheory Announces Expansion in Interior Design Services Across the Tricity Region

Elevate your space effortlessly with Batheory, bringing together functionality and modern elegance in every design.

CHANDIGARH, INDIA, September 3, 2024

/EINPresswire.com/ -- Batheory, a leading interior design company, is pleased to announce the expansion of its comprehensive [interior design services](#), tailored to meet the unique needs of both residential and commercial spaces across the Chandigarh Tricity region. With a strong commitment to quality and innovation, Batheory is setting new standards in the industry, delivering bespoke designs that combine functionality with modern elegance.

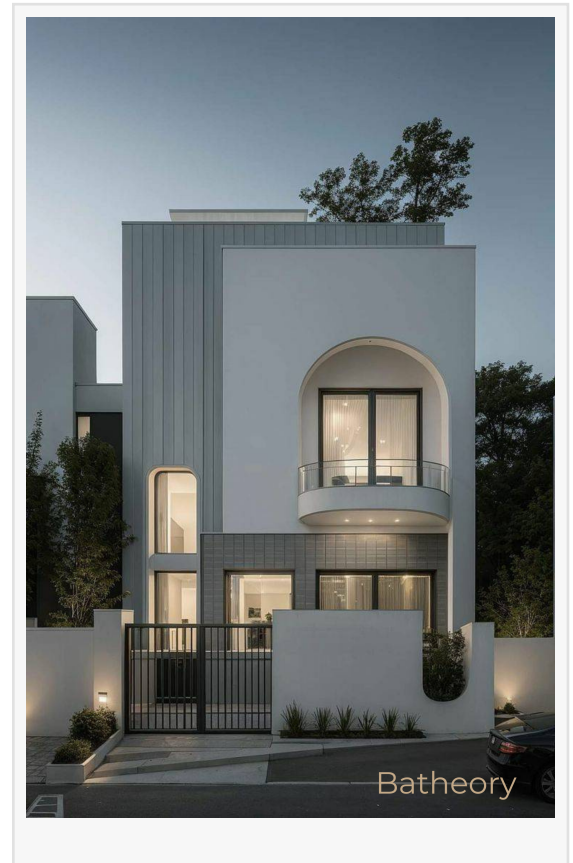

“Our expansion into new markets within the Tricity region is an exciting milestone for Batheory,” said Utkarsh Mahajan, CEO of Batheory. “We’re dedicated to offering tailored interior design solutions that not only meet but exceed our clients’ expectations. This growth allows us to bring our expertise to a wider audience, transforming spaces with creativity and precision.”

New Services and Features

The expansion includes a full suite of interior design services, now available for clients in Chandigarh, Mohali, and Panchkula. Key services include:

- Space Planning: Enhancing the functionality and flow of interiors.
- Civil Construction: Comprehensive management of all construction-related work.
- Residential Interior Design: Custom designs that reflect personal style.
- Commercial Interior Design: Creating efficient and aesthetic work environments.
- Roofing Solutions: Providing durable and aesthetically pleasing roofing options that complement both residential and commercial properties.

Innovative Design Philosophy

Batheory's approach to design is centered around client collaboration and a commitment to excellence. "Interior design is about more than just aesthetics; it's about creating environments where people thrive," said Ayush Mahajan, Co-Founder and Chief Architect of Batheory. "Our focus is on delivering spaces that are as functional as they are beautiful, ensuring that each project is a true reflection of our client's vision."
