

Ruby by Creavit Design Team Wins Silver in A' Bathroom and Sanitary Ware Awards

Innovative Washbasin Series Recognized for Exceptional Design and Advanced Manufacturing Technology

COMO, CO, ITALY, August 31, 2024

[/EINPresswire.com/](https://www.einpresswire.com/) -- The highly respected A' Design Award has announced [Creavit Design Team](#) as a Silver winner in the Bathroom Furniture and [Sanitary Ware](#) Design category for their groundbreaking work, "Ruby." This prestigious recognition highlights the significance of the Ruby washbasin series within the sanitary ware industry, celebrating its innovative design and advanced manufacturing technology.

The Silver A' Design Award for Bathroom Furniture and Sanitary Ware Design recognizes the importance of

cutting-edge solutions that address the evolving needs of consumers and the industry. Ruby's unique features, including its ultra-thin and amorphous designs made possible by Creavit's exclusive third-generation ceramic body, demonstrate the brand's commitment to pushing the boundaries of sanitary ware design and manufacturing.

Ruby stands out in the market with its five creative basin designs, each offering a distinct aesthetic and functionality. Models like RB051, RB061, and RB0141 showcase contemporary amorphous details, while RB040 reflects the flawless geometry of a diamond shape, and RB141 transforms the flow of water into a visual spectacle. These designs not only provide consumers with durable and visually striking products but also promise designers new possibilities in the world of vitrified ceramics.

The recognition of Ruby by the A' Design Award serves as motivation for Creavit Design Team to

continue their pursuit of excellence and innovation in the sanitary ware industry. By setting new standards in design and manufacturing, Creavit aims to inspire further advancements and elevate the overall quality of bathroom products available to consumers worldwide.

About Creavit Design Team

Creavit Design Team is dedicated to creating water-efficient bathroom products that promote sustainability and environmental responsibility. With a focus on innovative design and advanced manufacturing techniques, the team strives to develop solutions that meet the evolving needs of consumers while minimizing water consumption. Creavit's commitment to sustainability is further demonstrated by the establishment of a botanical garden on their premises, celebrating and respecting nature.

About Creavit

Since the 1960s, Creavit has been a leading manufacturer of high-quality sanitary ware, ceramic bathroom products, furniture, and fixtures. With the motto "The Bathroom," Creavit continuously improves its products to provide excellence to customers worldwide. The company's offerings are designed to meet the specific needs and expectations of users in wet spaces, with a strong emphasis on water-saving features and customized solutions.

About Silver A' Design Award

The Silver A' Design Award recognizes top-tier designs that demonstrate excellence, innovation, and a deep understanding of the specific industry. In the Bathroom Furniture and Sanitary Ware Design category, the award acknowledges creations that combine aesthetic appeal, functionality, and original innovations. The rigorous selection process involves blind peer review by an expert jury panel, ensuring that winning designs meet the highest standards and contribute to advancing the industry and benefiting society.

About A' Design Award

The A' Design Award is a prestigious international design competition that recognizes and promotes superior products and projects across various industries. With a mission to create a better world through the power of good design, the award aims to motivate designers and brands to develop innovative solutions that positively impact society. The competition, now in its 16th year, welcomes entries from all countries and is judged by an influential panel of experts, journalists, and academics. By showcasing pioneering designs on a global stage, the A' Design Award inspires and drives the cycle of advancement in the design community.
