“I want people to know that they can confidently move forward through challenging and transitional times with my expert guidance,” says Melissa. “Focusing on the positive outcomes is essential. A positive mindset is everything when navigating through big life changes.”

“Save the Greens” is Melissa Wittenborn's signature financial accountability program designed to provide clients with the tools and strategies needed to achieve financial clarity and stability during times of transition.

This program focuses on:

- Clarity and Alignment: Helping clients understand and organize their finances to align with their goals.
- Effective Communication: Teaching clients how to communicate clearly with their attorneys and other support professionals, saving time and money.
- Stress Reduction: Providing strategies to manage and reduce the stress associated with financial uncertainty.

Clients who have participated in "Save the Greens" report significant savings and a greater sense of control over their financial situation, allowing them to focus on rebuilding their lives with confidence.

In addition to her work with Momotivation, LLC, Melissa Wittenborn is the author of "Going Green with Your Self-Esteem."

This inspiring book is filled with stories, quotes, and strategies aimed at boosting self-esteem and finding positivity even in the face of life's challenges.

Johnny "The Transition Man" Campbell praises the book as "inspiring and refreshing," highlighting its ability to help readers bless and release life's difficulties.
