Major Players And Market Trends

Key players in the water borne coatings market include AkzoNobel NV, BASF SE, Axalta Coating Systems Ltd., Berger Paints Ltd., Kansai Paint Co. Ltd., Nippon Paint Holdings Company Ltd.

Major companies operating in the waterborne coatings market are developing new products such as state-of-the-art waterborne coatings to meet larger customer bases, more sales, and increase revenue. The term state-of-the-art waterborne coating refers to the most advanced and cutting-edge technology or formulation of waterborne coatings available at a given time.

Segments:

1) By Type: Acrylic, Epoxy, Polyurethane, Polyester, Alkyd, Polyvinylidene Chloride (PVDC), Polyvinylidene Fluoride (PVDF), Other Types

2) By Application: Appliances, Automotive, Architectural, Marine, Packaging, Wood, General industrial

3) By End User Industry: Building and Construction, Automotive, Industrial, Wood, Other End-User Industries

Geographical Insights: Asia-Pacific Leading The Market

Asia-Pacific was the largest region in the water-borne coatings market in 2023. Western Europe was the second-largest region in the global water-borne coatings market analysis. The regions covered in the water borne coatings market report are Asia-Pacific, Western Europe, Eastern Europe, North America, South America, Middle East, and Africa.

Water Borne Coatings Market Definition

Waterborne coatings are coatings that use water as a solvent to spread a resin, making them environmentally safe and simple to apply. Waterborne coatings utilize binders such as copolymers of acrylic, vinyl, and styrene compounds.

[Water Borne Coatings Global Market Report 2024](#) from The Business Research Company covers the following information:

- Market size data for the forecast period: Historical and Future
- Market analysis by region: Asia-Pacific, China, Western Europe, Eastern Europe, North America, USA, South America, Middle East and Africa.
- Market analysis by countries: Australia, Brazil, China, France, Germany, India, Indonesia, Japan, Russia, South Korea, UK, USA.

Trends, opportunities, strategies and so much more.

The [Water Borne Coatings Global Market](#) Report 2024 by The Business Research Company is the most comprehensive report that provides insights on water borne coatings market size, water

borne coatings market drivers and trends, water borne coatings market major players, water borne coatings competitors' revenues, water borne coatings market positioning, and water borne coatings market growth across geographies. The water borne coatings market report helps you gain in-depth insights into opportunities and strategies. Companies can leverage the data in the report and tap into segments with the highest growth potential.
