## Growth Driver Of The Mortuary Equipment Market

The increase in mortality rates are expected to propel the growth of the mortuary equipment market going forward. The mortality rate, commonly known as the death rate, is a measure of the number of deaths in a certain location or period. As the death rate rises, so does the demand for mortuary equipment such as body bags, mortuary stretchers, lifting carts, mortuary washing units, and autopsy tables, which are used to preserve and store deceased people also increases.
