# Skyvia Recognized as Top Data Integration and Data Pipeline Tool by TrustRadius

*The award proves Skyvia's exceptional customer satisfaction and trust in its data integration solution*

PRAGUE, CZECH REPUBLIC, September 2, 2024 /EINPresswire.com/ -- Skyvia, a leading no-code cloud data platform, announced its recognition as a 2024 Top Rated Award winner by TrustRadius in the categories of Data Integration Tools and Data Pipeline Tools. The achievement reflects Skyvia's exceptional performance, as it received the highest average ratings based entirely on customer feedback and reviews. In addition, Skyvia was awarded second place in the Data Extraction Tools category.

Skyvia offers a comprehensive no-code solution for various integration needs, including ETL, ELT, Reverse ETL, data synchronization, and migration. The platform supports a wide range of major cloud services, such as Salesforce, NetSuite, HubSpot, Google Sheets, and more. Skyvia caters to a wide range of integration needs, offering simple tools for basic use cases and advanced solutions for complex enterprise scenarios.

> Receiving this award confirms that we are moving in the right direction by creating an easy-to-use yet feature-rich solution capable of handling complex scenarios. "
>
> *Oleksandr Khirnyi, Chief Product Officer at Skyvia*

"We're thrilled to be recognized by TrustRadius and our customers. Our mission is to make data integration accessible to businesses of all sizes and to all clients, regardless of their coding expertise. Receiving this award confirms that we are moving in the right direction by creating an easy-to-use yet feature-rich solution capable of handling complex scenarios. We're grateful for the support and feedback from our customers that made this award possible," Oleksandr Khirnyi, Chief Product Officer at Skyvia, stated.

The latest recognition from TrustRadius contributes to Skyvia's growing reputation in data integration, backup, and management. Previously, Skyvia was acknowledged by several reputable platforms, strengthening its position as a leading data integration solution. G2 ranked Skyvia second in the Top 20 Easiest To Use ETL Tools and named it an ETL Tools Leader for 2024. Additionally, Capterra featured Skyvia in its Best Ease of Use Integration Software list. According to Gartner Peer Insights, 96% of customers would recommend Skyvia, highlighting the platform's exceptional performance and customer satisfaction.
