Convenient Eye Care for Less

“

We work hard to leverage our direct relationships with manufacturers to offer the best prices on eye exams, glasses and top contact lens brands without compromising quality.”

Daniel Stanton

“We’re excited to open our 10th Stanton Optical store in the West Palm Beach-Ft. Pierce market, a community we have been serving for over 12 years. Making eye care affordable and convenient for Boynton Beach residents is a great source of pride for our Stanton Optical family. We know consumers are having to stretch their dollar further in this economy. We work hard to leverage our direct relationships with manufacturers to offer the best prices on eye exams, glasses and top contact lens brands without compromising quality. Not everyone has vision insurance, so it’s important we offer eye care solutions everyone can

afford”, said Daniel Stanton, founder and CEO of Stanton Optical.

With its on-site optical labs, you can walk in, get an eye exam, and get single-vision glasses made the same-day, in as fast as 30 minutes. Stanton Optical also offers eye health supplements, eye drops and various over-the-counter Dry Eye solutions.
