Championship Triumph! A Testament to Hard Work and Support

“

Seeing the Studycats win is a true testament to ISF Cambodia's impact. It shows why we're proud to support them, helping kids build language skills, confidence, and a brighter future overall!”

Mark Pemberton CEO and Co-founder of Studycat

The "Studycats" football team, sponsored by Studycat, recently clinched the division championship in the IAIA-ISF Youth League 2024, marking a significant milestone in ISF Cambodia's mission to use sports as a tool for empowerment. This victory not only highlights the determination and talent of the young players but also demonstrates the impact that community support and resources can have on their success.

In addition to the championship win, Studycat provided new uniforms for the team in May, further fostering a sense of unity and pride among the players. This support

extends beyond sports, as ISF Cambodia's programs continue to thrive, offering educational opportunities, adult literacy classes, and community development projects that enrich the lives of the children and their families.

A Shared Vision for Empowerment and Education

Studycat's support for ISF Cambodia aligns with the company's core values of education, inclusion, and empowerment. By partnering with ISF, Studycat is helping provide Cambodian youth with the tools they need to break the cycle of poverty and build a brighter future. The impact of these initiatives is far-reaching, enabling children to excel academically and athletically while fostering a sense of community and resilience.

Fun today, fluent tomorrow.
