Phoenix 5 The Band

Winning the Best of Florida Award is a testament to the community's deep admiration for Phoenix 5. This band has consistently delivered high-energy performances and pushed the boundaries of musical creativity. What makes this achievement even more special is that the award is determined by the fans themselves, highlighting the strong bond Phoenix5 has cultivated with its audience over the years.

Phoenix 5 is not just any band; it's a collective of Central Florida's finest musicians, each contributing their unique talents to create a sound that is both infectious and soulful. From the driving rhythms of funk to the smooth grooves of soul and the laid-back vibes of reggae, Phoenix5 has perfected the art of making music that resonates deeply with listeners. Their live performances are more than just concerts—they're unforgettable experiences that linger long after the music stops.

The band's core lineup features a dynamic group of five musicians—vocals, guitar, bass, drums, and keyboards. However, the magic of Phoenix5 extends beyond the core group. For those looking to elevate their experience, the band offers additional add-ons, including congas, saxophone, horns, and trumpet, along with a comprehensive sound and lighting package, with an optional stage setup available.

Phoenix 5 can be seen performing up and down the Gulf Coast of Florida at popular music venues and is available for private events.
