-- Driven to change the narrative of the

court reporting field which is often seen as antiquated, Co-Founder of Regal Court Reporting, Stephanie Leslie, has been a pivotal force in designing her firm from the ground up. Cultivating a team of esteemed professionals who provide an unparalleled level of precision and quality in each of the cases they work on, Regal Court Reporting remains one of the last 100% court reporter-owned, steno-only firms in California. Recognizing the need for strategic and tactical evolution while maintaining the integrity of the court reporting industry, Stephanie Leslie has worked with intention to curate a firm that offers the in-demand services of today with the personalized service of yesteryears. Respected for their ingenuity and foresight, Regal Court Reporting is now one of the leading firms in California that are seeking to acquire court reporting firms that are looking to transition. For the firms actively working on their exit plans, Regal Court Reporting stands out as a potential buyer due to their commitment to maintaining the core values and philosophies of the firms they acquire. Paying homage to the prior owners while providing opportunities for their legacies to live on in a new chapter, Regal Court Reporting is inspired to help other firms that are sunsetting so their legacies can live on through the stewardship of their firm.
