

A&M Industrial Continues Expansion Into New England With Acquisition Of The Mosher Company

A&M Industrial acquires The Mosher Company of Chicopee, MA, securing its position as New England's leading metalworking and industrial supply distributor.

CHICOPEE, MA, UNITED STATES, October 1, 2024 /EINPresswire.com/ -- In September 2024, [A&M Industrial](#) Inc. acquired the assets of The Mosher Company, an industrial distributor and manufacturer of finishing compounds based in Chicopee, Massachusetts. For over 75 years, The Mosher Company

has earned a stellar reputation throughout New England for its exceptional selection of [abrasives](#) and unparalleled finishing application expertise. The operations of The Mosher Company will be integrated into A&M Industrial's Middletown, Connecticut location. The Mosher Company's local sales team, including Mosher President Jeff Templeton, will continue to serve customers in Chicopee and the broader New England area. Mosher's MOCO Buffing & Polishing Compounds, renowned for their exceptional quality and performance and a favorite among local metalworking and plating facilities, will continue to be manufactured and distributed by A&M.

“

Both A&M and The Mosher Company have been serving industrial facilities for generations. It's thrilling to uphold and continue that tradition of exceptional customer service and support.”

metalworking tools, abrasives, and accessories in New England.” He continued, “Both A&M and The Mosher Company have been serving industrial facilities for generations. It's thrilling to uphold and continue that tradition of exceptional customer service and support.”

Customers in New England can expect the same high level of technical sales and assistance, now complemented by a more extensive product portfolio and a broader range of services. A&M Industrial's comprehensive online store offers a vast inventory, including cutting tools, precision measuring tools, abrasives, hand and power tools, MRO supplies, PPE, and more. New services available include [Vendor](#)

[Managed Inventory](#), which will allow New England customers to streamline their inventory management, optimize their spend, and avoid stock-outs more effectively.
