“We are incredibly proud of our organization's achievements,” said Craig Gould, CEO of Binah Capital Group. These nominations are a testament to the hard work, dedication, and innovation of our teams. We are committed to fostering an environment where our

companies can thrive and continue to deliver exceptional value to our advisors and clients.”

Now in its tenth year, the WealthManagement.com Industry Awards is the only awards program of its kind to honor outstanding achievements by companies, organizations and individuals that support financial advisor success. A panel of judges made up of top names in the industry, led by WealthManagement.com director of editorial strategy and operations David Armstrong, chose the finalists and will determine the winners, which each year recognizes the firms and individuals who are bringing new innovations to market that make a real difference to the daily activities of

financial advisors. Winners will be announced at a gala and awards ceremony in New York City on September 5th.

“The Industry Awards are a beacon, illuminating the trailblazers and innovators who are shaping the future of the financial services industry,” said David Armstrong, director of editorial strategy and operations. “They serve as a leading indicator of future activity, and as a barometer for the dynamic ecosystem of companies and organizations that empower, support and enable advisor success who are driving the industry forward.”
