“

This acquisition is a testament to our commitment and investment in Latin America. Bringing Adecco Uruguay into our global network shows our dedication to the region.”

Mauricio Sion, Chief Executive Officer of SGF Global.

leader in global human resources and staffing solutions, announces the acquisition of Adecco Uruguay's offices and operations, effective September 1st. This strategic development promises innovation and leadership in human resource solutions, strengthening SGF Global's presence in Latin America and marking a significant expansion in the Uruguayan market.

With this acquisition, SGF Global gains complete control of Adecco Uruguay operations, incorporating a new portfolio of high-value clients and a team of highly skilled professionals. This strategic move allows SGF Global to introduce previously unavailable services, such as

nearshoring and employer of record (EOR), alongside Adecco's existing offerings, such as project management, recruitment process outsourcing (RPO), and corporate training. This acquisition reinforces SGF Global's dedication to local and regional development and positions them for significant growth in the Uruguayan market.

Mauricio Sion, CEO of SGF Global, mentioned: "This acquisition is a testament to our commitment and investment in Latin America. Bringing Adecco Uruguay into our global network shows our dedication to the region. It enhances our emphasis on nearshoring and EOR, designed to meet the globalization needs of our clients."

With over three decades of leadership in the human resources industry, SGF Global views this acquisition as an essential step in its long-term vision to continue leading and expanding its impact in the region. This new addition positions SGF Global as one of the country's leading human resources service firms and the rest of Latin America. SGF Global, with its proven track

record and extensive experience, is ready to lead the market with effective and efficient solutions and assure its clients of their long-term commitment and success in the region.
