Renowned Filipino designer [Carl Andrada](#), celebrated for his eco-friendly and sustainable approach to fashion, is set to make waves at this year's New York Fashion Week with the unveiling of his latest collection, "[The Secret Garden](#)." This highly anticipated event will take place on September 7, 2024, at 8:30 PM at The Bureau, Historic West Edge in New York City.

Carl Andrada, based in Los Angeles, California, has built a distinguished career by championing the use of traditional Filipino fabrics and craftsmanship, bringing the rich cultural heritage of the Philippines to the global stage. His newest collection, "The Secret Garden," draws inspiration from the lush and untamed floral beauty of the Philippines, featuring vibrant, vivid colors that breathe life into every piece.

Each creation in "The Secret Garden" is a tribute to Filipino artistry, crafted from exquisite fabrics sourced from the country's three major islands. The collection highlights the diversity and richness of Filipino craftsmanship with the use of Hablon from Iloilo in the Visayas, Musa from Mindanao, and Binakol from Luzon—fabrics with centuries-old handwoven traditions, made from natural fibers that echo the soul of Filipino cultural heritage.

The runway will shine with a stellar lineup of models, including Joyce Santiago, Miss World America Sunshine 2024; Matea Mahal Smith, 2023 Miss Filipina International and 2024 Miss Universe Philippines Florida; Heather Santos, Miss World America Washington 2024; Janette Andrada Lane, Ginang Filipinas America Tourism 2024, Dave Valeriano, Mr. US United Duke; and Breea Yamat, 2024 Miss Hawaii USA and Top 10 Miss USA Finalist.
