

Anker Delivers Convenient, High-Speed Wireless Charging with new Anker MagGo Devices

New Anker MagGo Devices offer flexibility and convenient multi-device charging with high tech wireless charging devices and accessories.

BELLEVUE, WA, UNITED STATES, September 5, 2024 /EINPresswire.com/ -- Anker Innovations, a global leader in mobile charging and consumer electronics, today announced the expansion of the 2024 Anker MagGo lineup with several new products perfect for wireless charging at home, the office or on the go.

The Anker MagGo lineup combines the latest Qi2 wireless charging and connectivity technologies with consumer-focused designs to enable wireless charging at the fastest possible speeds while retaining compact form factors. The Anker MagGo line also includes ergonomic accessories, including a magnetic case with a stand that incorporates magnetized materials to maximize compatibility with wireless chargers.

High Speed, Multi-Device Charging

Anker MagGo chargers utilize Qi2 charging standards and Magnetic Power Profile (MPP) technology to deliver stable, fast charging up to 15 watts. The MPP technology ensures a secure connection with compatible devices, allowing them to lock firmly into place in both landscape and portrait orientations, providing optimal viewing angles for standby mode or watching videos.

The Perfect Combination of Form and Function

The Anker MagGo series introduces iconic form factors that seamlessly integrate into consumers' lifestyles. With the ultra-thin Anker MagGo Power Bank and the new foldable Anker MagGo 3-in-1 Wireless Charging Station, these products offer convenient wireless charging while embodying the perfect balance of design and utility.

"We designed the MagGo lineup to make using and charging multiple devices a straightforward and seamless experience without the clutter of traditional chargers," said Shaun Xiong, General Manager of Anker Charging. "Anker's new MagGo lineup utilizes the latest technologies to combine convenience with performance, and these new additions make multi-device wireless charging as simple as possible."

These new additions to the new Anker MagGo [wireless magnetic charging series](#) will be available on [Amazon.com](#) and [Anker.com](#). Details regarding the new devices are listed below:

Anker MagGo Product Details

Anker MagGo Wireless Charging Station (3-in-1, Foldable Pad)

This foldable charging solution is the perfect travel companion, offering versatile charging options for an iPhone, Apple Watch, and wireless earbuds with Qi2 15W.
