

GetHairMD™ Partners with Dr. Campbell to Offer Hair Restoration Solutions in New River Valley and Roanoke Valley

BLACKSBURG, VA, UNITED STATES, September 4, 2024 /EINPresswire.com/ -- [GetHairMD™](#), a leading provider of cutting-edge hair restoration treatments, today announced a strategic partnership with Dr. Sanam Campbell, a board-certified OB/GYN and founder of New River Women's Health.

“

My staff and I work with patients every day and understand the significant emotional impact of hair loss. GetHairMD's proven, effective treatment options provide solutions to this common concern”

Dr. Campbell

Through this collaboration, New River Women's Health, located in Blacksburg, VA, is now offering GetHairMD's full range of FDA-cleared noninvasive hair restoration solutions to its patients, addressing virtually all causes of hair loss for both men and women.

“My staff and I work with patients every day and understand the significant emotional impact of hair loss. That's why I'm dedicated to providing personalized care and proven, effective treatments that improve both the appearance and self-esteem of my patients,” said [Dr.](#)

[Campbell](#). “This partnership with GetHairMD allows us to offer a wider range of solutions to address this common concern.”

Expanding Expertise

With this partnership, Dr. Campbell joins the GetHairMD network of experienced physicians specializing in all forms and causes of hair loss. Notably, Dr. Campbell will also serve on the GetHairMD clinical advisory board as the company continues its nationwide expansion.

About Hair Loss and GetHairMD's Solutions

- Hair loss affects over 50% of adult men and over 40% of adult women, often causing emotional distress and impacting self-confidence.
- GetHairMD offers a variety of personalized solutions for patients battling hair loss.
- These solutions range from non-invasive treatments (laser therapy, topical medications, at-home therapies) to minimally invasive hair grafting.
- GetHairMD is one of the first in the United States to offer FDA-cleared TransDermal Infusion

for hair loss, delivering a specially formulated serum directly into the scalp for superior results.

Shared Vision

"Dr. Campbell's expertise in personalized patient health and her commitment to patient care aligns perfectly with our mission," said Paul Herchman, CEO of GetHairMD. "We are thrilled to partner with her to bring our effective noninvasive hair restoration solutions to patients in Blacksburg and the surrounding areas."

About GetHairMD

GetHairMD is a network of experienced physicians with expertise in all forms and causes of hair loss. The company offers a multi-modality approach, combining cutting-edge technology with doctor-supervised care to achieve optimal hair restoration results, exceeding a 90% success rate. GetHairMD has grown from a single location to over 25 locations nationally.
