

# GetHairMD™ Announces Partnership with Dr. Keller to Offer Hair Restoration Solutions in Santa Barbara

SANTA BARBARA, CA, UNITED STATES, September 5, 2024 /EINPresswire.com/ -- GetHairMD™, a leading provider of cutting-edge hair restoration treatments, today announced a strategic partnership with Dr. Gregory Keller, an internationally renowned board-certified facial plastic surgeon, a former member of the Premier Hair Transplant Group, the International Laser Hair Transplant Group and founder of [Keller Plastic Surgery](#) and [Rejuvalase Medical Spa](#) in Santa Barbara, CA.

After 40 years of experience with hair restoration, this new technology enables us to address each person's unique hair loss concerns with precision"

*Dr. Keller*

Through this collaboration, Rejuvalase Medical Spa will now offer GetHairMD's full range of FDA-cleared hair noninvasive restoration solutions to its patients.

"I am happy and proud to become a member of the GetHair MD group. After 40 years of experience with hair restoration, this new technology enables us to address

each person's unique hair loss concerns with precision. It allows us to "test not guess" to tailor a personalized treatment plan that truly works" said, [Dr. Keller](#)

## About Dr. Keller

- Internationally known, board-certified facial plastic surgeon with over 40 years of expertise.
- Premier surgeon in Santa Barbara and Beverly Hills specializing in natural-looking facial rejuvenation.
- Trained over 25 physicians in advanced facial plastic surgery techniques.
- Invented the endoscopic brow lift and published extensively on facial rejuvenation procedures.
- Clinical Professor at UCLA and co-director of the UCLA/AAFPRS facial plastic surgery fellowship.
- Renowned for his expertise and commitment to patient satisfaction.

Dr. Keller's team at Keller Plastic Surgery provides a breadth of experience and knowledge to residents of Santa Barbara, Los Angeles, Beverly Hills, and surrounding communities.

With this partnership, Dr. Keller joins the GetHairMD network of experienced physicians who

specialize in all forms and causes of hair loss. Dr. Keller will also serve on the GetHairMD clinical advisory board as the company continues its nationwide expansion.

#### About Hair Loss and GetHairMD's Solutions

- Hair loss affects over 50% of adult men and over 40% of adult women, often causing emotional distress and impacting self-confidence.
- GetHairMD offers a variety of personalized solutions for patients battling hair loss.
- These solutions range from non-invasive treatments (laser therapy, topical medications, at-home therapies) to minimally invasive hair grafting.
- GetHairMD is one of the first in the United States to offer FDA-cleared TransDermal Infusion for hair loss, delivering a specially formulated serum directly into the scalp for superior results.

“Dr Keller’s well-earned reputation as a top facial plastic surgeon, hair restoration expert and aesthetic practice is why we are thrilled to partner with Dr. Keller to bring our effective noninvasive hair restoration solutions to patients in Santa Barbara and the surrounding areas,” said Paul Herchman, CEO of GetHairMD

#### About GetHairMD

GetHairMD is a network of experienced physicians with expertise in all forms and causes of hair loss. The company offers a multi-modality approach, combining cutting-edge technology with doctor-supervised care to achieve optimal hair restoration results, exceeding a 90% success rate. GetHairMD has grown from a single location to over 25 locations nationally.
