

Andrea D. Carter accepted into Forbes Business Council

Forbes Business Council is an invitation-only community for successful business owners and Leaders.

TORONTO, CANADA, September 5, 2024 /EINPresswire.com/ -- ANDREA D. CARTER, ADJUNCT PROFESSOR FOR ADLER UNIVERSITY AND THE CEO AND FOUNDER OF BELONGING FIRST, A CONSULTING FIRM THAT ADVISES COMPANIES ON HOW TO REFINE THEIR DEI INITIATIVES, has been accepted into the Forbes Business Council, the foremost growth and networking organization for successful business owners and leaders worldwide.

Andrea was selected by a review committee based on the depth and diversity of her experience. Criteria for acceptance include a track record of successfully impacting business growth metrics, as well as personal and professional achievements and honors.

As a member of the Council, Andrea has access to a variety of exclusive opportunities designed to help her reach peak professional influence. She will connect and collaborate with other respected leaders in a private forum. Andrea will also have the opportunity to share her expert insights in original articles and contribute to published Expert Panels alongside other experts on Forbes.com.

Finally, Andrea will benefit from exclusive access to membership-branded marketing collateral, high-touch support from the Forbes Councils member concierge team, and complimentary membership in EXEC—the luxury hotel, travel, lifestyle, and business benefits program.

Andrea D. Carter Accepted Into Forbes Council

"I am truly honored to join the Forbes Council and to be part of a dynamic community of industry leaders. This opportunity not only reinforces my commitment to advancing the conversation and [research](#) around belonging in the workplace but also provides a platform to collaborate with like-minded experts. Being a member will enable me to further amplify the voices of those driving positive change, while deepening my organization's leadership in fostering inclusive and thriving environments. I am excited to contribute and continue pushing the boundaries of what it means to create a culture where everyone belongs."

Forbes Advisor named the Adler University online Doctor of Philosophy (Ph. D.) in Industrial and Organizational (I/O) Psychology as one of the country's top programs.

ABOUT FORBES COUNCILS

While belonging is related to inclusion, research shows it's much more than just a synonym. To truly experience belonging, my research shows that five critical indicators must also be present."
