Supreme Kai (Mini) CV Yumiko Kobayashi

Dragon Ball is a series that changed my life, so simply to be able to audition for it made me so excited I said to myself, "I have no more regrets! I never expected to be chosen to play a role, so I'm genuinely scared that this all might just be a dream.

I'm sure that Dragon Ball DAIMA will offer people the experience of a great adventure they'll never forget!

Glorio CV Koki Uchiyama

I never expected to be able to play a role in Dragon Ball, so I'm honored to have had the fortune to be given this opportunity. It's full of not just amazing action, but gorgeous imagery. It's full of not just amazing action, but gorgeous imagery that makes each episode dizzying to watch, so I hope you'll all see it through to the end!

Panzy CV Fairouz Ai

I'm so full of a feeling of honor to be able to lend my voice to a series like Dragon Ball that is loved all over the world. There will be a lot of traveling to various places during the series, but

each place will be full of its own entertaining drama, so so There will be a lot of traveling to various places during the series, but each place will be full of its own entertaining drama, so I think people will be able to experience it as though they're along for the adventure! 'll all enjoy it.

The opening theme is a new song created for Dragon Ball DAIMA together by Grammy Award-winning artist Zedd, Yukinojo Mori, and C&K!

It's a super collaboration between Zedd, Yukinojo Mori, and C&K!

The opening theme, "Jaka Jaan" by Zedd feat. C&K was composed for Dragon Ball DAIMA by Zedd. DJ/Producer who is currently in the news for releasing a new album after nine years on August 30th.

Zedd has been an outspoken fan of Dragon Ball for years and accepted the offer to create a song for Dragon Ball DAIMA. This is the first time Zedd has taken on Composing the lyrics is Yukinojo Mori, who has brought numerous great songs to the Dragon Ball world like Composing the lyrics is Yukino Mori, who has brought numerous great songs to the Dragon Ball world like "CHA-LA HEAD-CHA-LA" and "Limit Break x Survivor. And in response to Zedd's request for a main chorus you would expect of a Japanese anime, the singing and songwriting unit C&K brought their overwhelming vocals and genre- This song is a super collaboration that will mark a new page in Dragon Ball history!

We have received comments from the Zedd, Yukinojo Mori, and CLIEVY and KEEN of C&K.

Zedd

I was incredibly honored to even be considered to produce the music for "Dragon Ball. I have always aspired to write theme songs and score music. Composing music for something that influenced many of childhood years is an absolute dream.

Yukinojo Mori

It's thanks to Dragon Ball that I've been able to surpass my own lyrical limits time and time again.

However, to be honest, I've always been secretly worried about just how far my words can keep up with the growing strength of Goku (lol).

But Toriyama-sensei has done it again! By changing the direction from "battle" to "adventure" with DAIMA, he's led us to fresh excitement.

If ever you feel hurt and your heart feels small, I hope you'll sing along with this fanfare I created together with Zedd and C&K and think of your DAIMA company. of your DAIMA company. May courage light your next step in life.

CLIEVY

I thought we were played some kind of prank. I honestly wondered if we could handle such a big role!

KEEN

When we were offered this opportunity by Dragon Ball, my all-time favorite to this day, my heart was filled with excitement! I look forward to seeing the new Dragon Ball DAIMA series to become a wonderful anime that will have an inspiration on children and adults alike!

I am proud that we were able to be involved with this masterpiece!
