

Organic Line by Mayte Ossorio Domecq Wins Silver in A' Jewelry Design Awards

Mayte Ossorio Domecq's Innovative Jewelry Design, Organic Line, Receives Prestigious Silver A' Design Award Recognition

COMO, CO, ITALY, September 5, 2024 /EINPresswire.com/ -- The esteemed [A' Design Award](#), one of the world's most respected and well-recognized awards in the field of [jewelry](#) design, has announced Organic Line by [Mayte Ossorio Domecq](#) as a Silver Winner in the Jewelry Design category. This highly prestigious recognition celebrates Organic Line as an outstanding example of innovative and visually captivating jewelry design that pushes the boundaries of the industry.

Organic Line's recognition with the A' Jewelry Design Award is significant not

only for Mayte Ossorio Domecq but also for the broader jewelry industry and its customers. This innovative design aligns with current trends in sustainable and ethical sourcing, showcasing the potential for creating stunning pieces that prioritize environmental responsibility. By receiving this award, Organic Line demonstrates the practical benefits of combining cutting-edge design with a commitment to sustainability, setting a new standard for the industry.

What sets Organic Line apart is its unique approach to transforming flat geometric shapes into volumetric, three-dimensional forms through strategic cuts and minimal joint points. The collection features a signature cleft design, both horizontal and vertical, which contributes to a sense of rhythm and organicity. Each piece is meticulously handcrafted from double-glued cowhide leather, with metal cuff links and stainless steel wire loops allowing for easy fastening and unfastening. The result is a collection that is not only visually striking but also functional and comfortable to wear.

Organic Line

The Silver A' Design Award for Organic Line serves as a powerful motivator for Mayte Ossorio Domecq and her team to continue pushing the boundaries of jewelry design. This recognition validates the brand's commitment to innovation, sustainability, and craftsmanship excellence, and inspires future projects that will further contribute to the advancement of the industry. As Organic Line gains global exposure through this prestigious award, it has the potential to influence wider trends and set new standards for what is possible in jewelry design.

Organic Line was designed by Mayte Ossorio Domecq, who is deeply passionate about creating objects with meaning and history. As a designer, she believes in the power of beauty, functionality, and sustainability, advocating for the revaluation of raw materials and the generation of local employment through craft traditions.
