

Clinical24 Partners with HSE to Expand Opportunities and Well-Being for Nurses and Midwives in the Republic of Ireland

New Collaboration Enhances Staffing Solutions and Well-Being for Healthcare Professionals Amid Growing Health Needs

LIMERICK, MUNSTER, IRELAND, September 6, 2024 /EINPresswire.com/ -- [Clinical24](#) is one of nineteen Tier 2 suppliers of Nursing and Midwifery agency staff to the [Health Service Executive \(HSE\)](#), aimed at providing essential nursing and midwifery staff across the Republic of Ireland. This strategic collaboration is designed to address the current staffing challenges in healthcare facilities nationwide, creating a positive impact for nurses and midwives while enhancing the overall well-being of these dedicated professionals.

Clinical24 Republic of Ireland and HSE Collaboration

Republic of Ireland - In response to the increasing demand for healthcare services, Clinical24's partnership with the HSE will play a crucial role in alleviating staffing pressures across ROI's healthcare system. This collaboration is set to significantly improve the availability of opportunities for nurses and midwives, ensuring that hospitals, clinics, and other healthcare facilities are well-supported.

The partnership will focus on providing highly qualified and experienced nursing and midwifery staff to directly reduce the strain on existing healthcare professionals. Clinical24 will achieve this by offering additional support during peak times, ensuring that shifts are covered without overburdening current staff. By introducing nurses and midwives to different working environments, their aim to diversify their experiences, allowing for personal and professional growth. This initiative will provide stability, increase job satisfaction, and improve the overall well-being of our healthcare teams, giving healthcare professionals the help they need exactly when they need it most.

This partnership reflects a shared commitment to addressing the growing needs of patients

while prioritising the health and happiness of those who provide their care. Clinical24 and HSE are dedicated to creating a positive environment that supports the professional growth and personal well-being of Republic of Ireland's healthcare workforce.

Conclusion:

The collaboration between Clinical24 and the HSE represents a significant advancement in strengthening Republic of Ireland's healthcare system. By expanding opportunities for nurses and midwives and focusing on their well-being, this partnership is set to make a meaningful difference in healthcare facilities across the nation. Clinical24 and HSE are committed to working together to deliver outstanding care and support for healthcare professionals and the communities they serve.
